

VIBE High School Elective Courses 2023-2024

Please put numbers in the left column next to classes you would like to take. Put a 1 next to the class you want most, a 2 next to the class you would like next, etc. Depending on interest, you might get the class you want, but in a different trimester. Some of these classes are also both requirements *and* you can take them again for elective credits (e.g., PE). **All tests will be proctored this year. This means you will set up an appointment to take your tests, and either come into the building, or have a teacher or associate monitoring you via camera and Aristotle. Edgenuity tests will not be unlocked until the scheduled test time.**
